

Saltstraumen safari

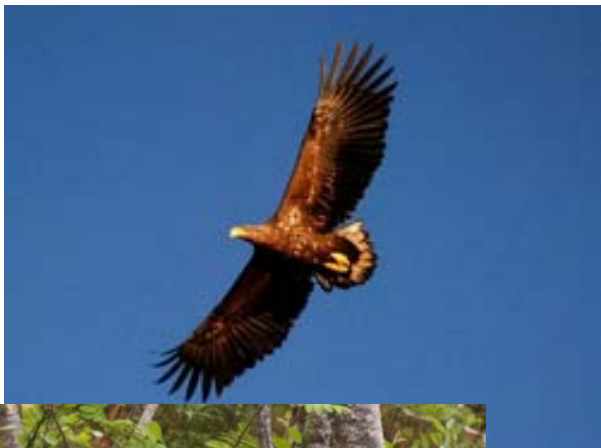

Saltstraumen / Sea Eagle Safari are a very popular activity. With highly maneuverable rigid inflatable boats we take you into the world's strongest Maelstrom

Bodø area have the world's largest population of Sea Eagles, and in Saltstraumen there are several couples nesting.

We often experience the Sea Eagle up close during our safaris.

All participants will be dressed in approved safety equipment and when needed there will also be handed out hat, gloves and rubber boots. Binoculars are available on board.

The tours can be organized for children, so feel free to bring the whole family.

Tour starting point is Ripnes in Saltstraumen, and duration is approx. 1 hour.

Price per person: Adults NOK 360,-

Children under 14 years NOK 200,-

Tours are available daily in the period 1st June – 31st August, organized around the peak time of the stream.

Other tours can be arranged.

A fully grown Sea Eagle can have a wing span up to 2,65 meter, weigh up to 8 kg and age up to 40 years. To experience this majestic bird up close is something you will remember.

The Maelstrom "Saltstraumen" offers exiting adventure. Surrounded by majestic mountains and a large bridge construction high above our heads you will really feel the forces of nature.
